Top Internet Uses

46%

A Nokia N70 mobile phone is shown with the Gmail login interface on its screen. The screen displays the Gmail logo at the top, followed by fields for 'Username:' and 'Password:'. Below these fields, it says 'Need an account? Go to gmail.com on your computer.' At the bottom of the screen are two buttons: 'Sign in' and 'Exit'.

11%

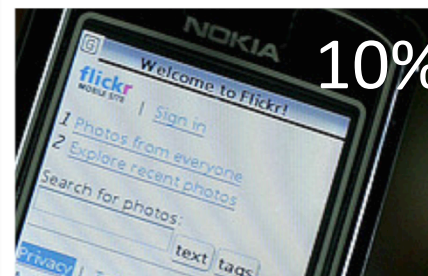

A Samsung phone is shown with a Rogers data charge warning on its screen. The screen displays the Rogers logo at the top, followed by a 'Continue' button and a message: 'Data charges apply for the section you are about to enter at 5 cents/kb or as per your mobile Internet plan.' At the bottom are two buttons: 'Select' and 'Back'.

13%

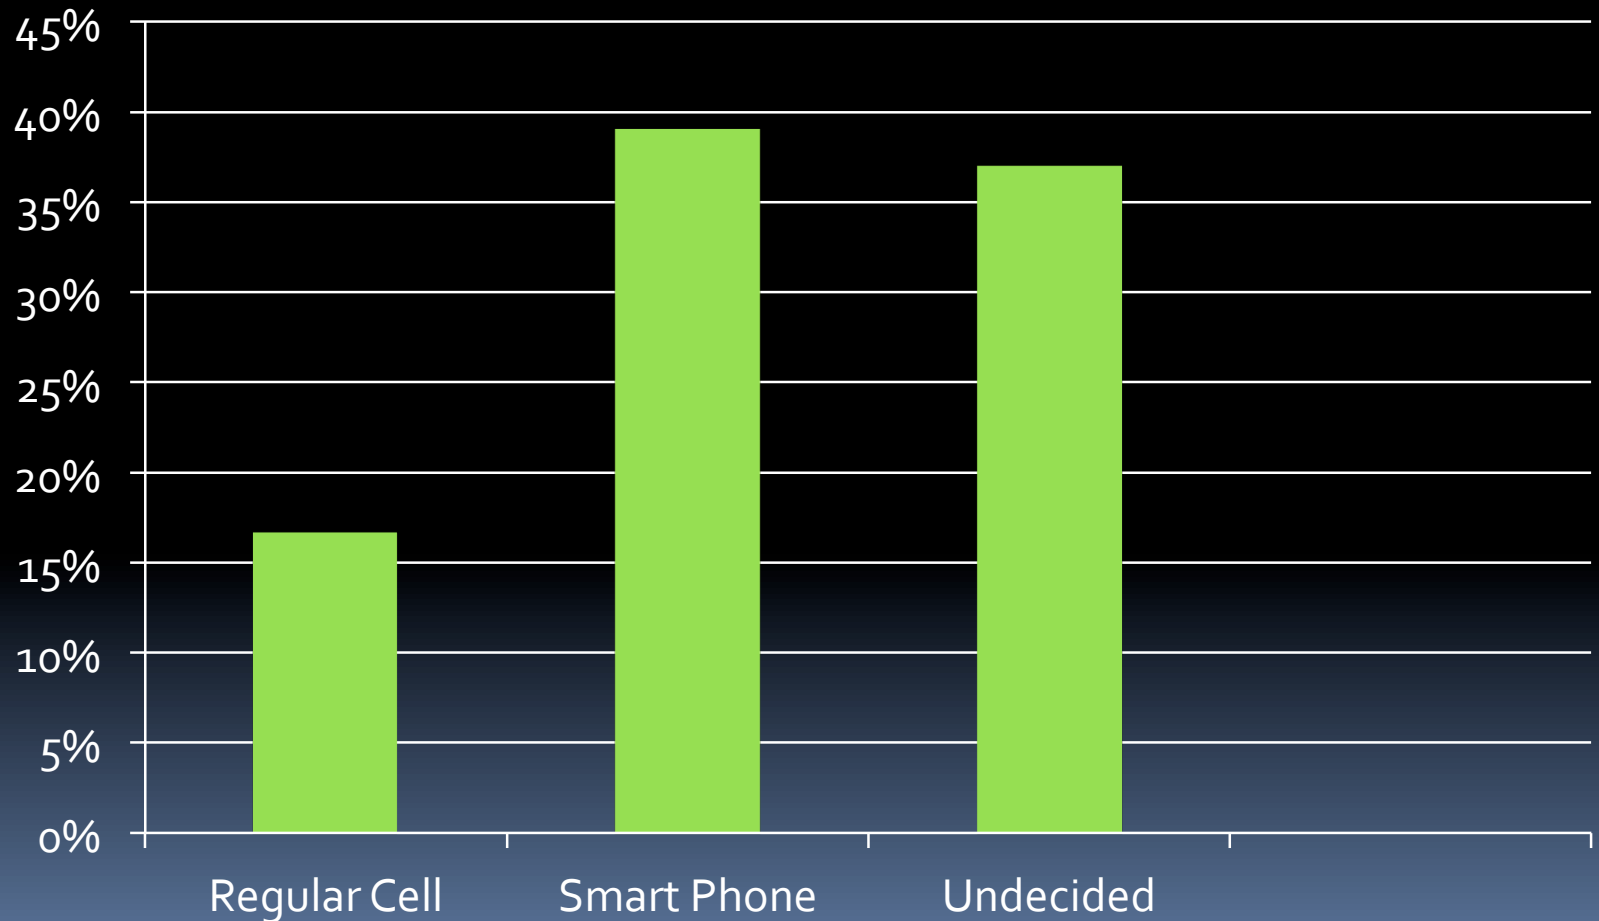

10%

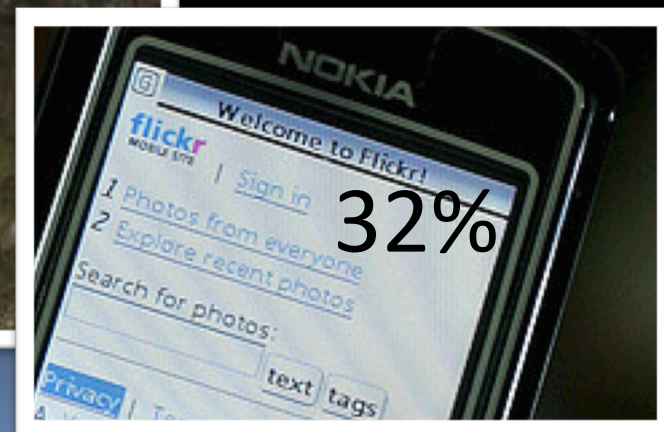

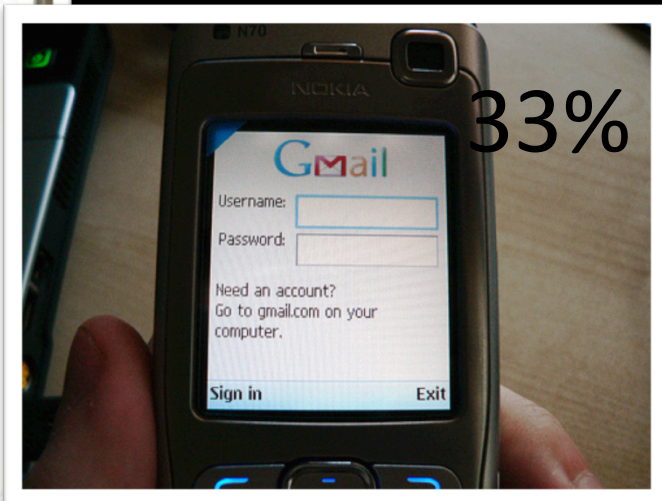

A Nokia phone is shown with the Flickr mobile site on its screen. The screen displays the Flickr logo at the top, followed by a 'Welcome to Flickr!' message and a 'Sign in' button. Below this, there are two numbered items: '1 Photos from everyone' and '2 Explore recent photos'. At the bottom, there is a 'Search for photos:' field with 'text' and 'tags' buttons.
